Dear John:

I would like to share with you and your company some very exciting news. "Claiborne", our new fragrance for men has received two awards at the recent Fragrance Foundation Award Banquet. The awards we received were for Best Television Commercial and Best Packaging in our class of trade.

It was not without the efforts of your company that we were able to achieve this recognition by our industry. I would like to congratulate you for your participation in the Claiborne launch. Together we were able to develop and manufacture this award winning package.

Please pass on our congratulations to all members of your staff who participated in this project.

Our relationship is truly a partnership which we will continue to build on.

Sincerely,

Robert B. Rumsby
