

MISSONI

Mr. Alex Lindsay
President
Modern Arts Packaging
38 West 39th Street
New York, NY 10018

Dear Alex:

It has been over 30 years since Missoni began doing business with Modern Arts and not one day has passed in all these years that I felt my trust was misplaced - not in your industry superior product, your teams' ability to deliver or in your unwavering professional integrity. There are only a handful of vendors I am able to say that about and I count myself lucky that you are one of them.

As our US business and shipping needs have grown over the years, the Modern Arts team has provided us with smart and intelligent solutions. The fact that we have remained loyal clients is truly a testament to our high regard for your product and your team's thoughtful and caring approach to servicing our supply needs.

You are not just a vendor to us but a partner and a friend. We feel our trust has and always will be well placed and are looking forward to working and growing together for many years to come!

Sincerely,

Diane Levgarg
Executive Vice President
Missoni USA
